

An aerial photograph of a tropical coastline. The water transitions from deep blue to vibrant turquoise near the shore. A white sandy beach curves along the coast, bordered by lush green vegetation and palm trees. In the foreground, a golf course is visible. In the background, there are green hills and a small island in the ocean under a blue sky with scattered white clouds.

MILL REEF FUND

2024 IMPACT REPORT

MILL REEF Fund

Empowering Communities, Transforming Lives

Dear Fellow Members,

In 2024, we asked you to help us support the people of Antigua and Barbuda. Your response has been truly heartwarming. Together, we've made a significant impact on our community, and I can't thank you enough.

Your generosity has funded 35 organizations while improving access to essential services in schools, churches, special needs programs, and general welfare initiatives. Our Fund is often the first called upon for assistance, and your kindness enables us to act quickly when lives are at stake.

While we've accomplished much in 2024, many individuals still need our help. As a result, we're already giving grants for 2025. Your ongoing commitment is crucial.

Most importantly, 99.8% of every dollar you donate goes directly toward our mission. We owe special thanks to our fellow PMs who volunteer their time as MRF trustees. Please consider making a meaningful contribution this year to provide critical assistance to the residents of Antigua and Barbuda.

Together, let's ensure our efforts leave a lasting legacy.

Sincerely,

Helene B. van Beuren
