Dear Fellow Members,

Every year, I'm reminded of how powerful compassion can be. Thanks to your generosity, our community in Antigua and Barbuda is stronger, more resilient, and more hopeful than ever.

This year alone, we were able to support 40 organizations—from schools and churches to special needs programs and social welfare projects. Each grant means more children with access to education, more families receiving care, and more lives touched by kindness.

The need, however, continues. As we look ahead to 2026, we are already providing grants to meet urgent requests. When emergencies arise, your support ensures we can respond without hesitation.

The true strength of this Fund is that 99.8% of every dollar you give goes directly to helping people in our community. Your generosity isn't lost in overhead—it's felt directly by the families, children, and neighbors who need it most.

Behind the scenes, our dedicated PM trustees and Jr. Committee members continue to volunteer their time to guide this work with care and accountability.

I encourage you to keep donating to the fund. Your gift will provide immediate relief and help build a lasting legacy of hope for the people of Antigua and Barbuda.

With heartfelt thanks,

Helene van Beuren

Story & Mission

OUR STORY

The Mill Reef Fund (MRF) is a charitable trust that was founded in 1948, shortly after the Mill Reef Club was established. Its ability to help island residents depends on the generosity of members and friends of the Club, and your support has helped us raise and distribute more than \$16 million USD since annual giving records began in the 1960s.

OUR MISSION

The mission of the Mill Reef Fund is to improve the lives of Antiguan and Barbudans through donations to educational, medical & health, general welfare, and religious organizations.

Our Strategy

The Mill Reef Fund aims to improve well-being in Antigua by investing in it's people and communities.

Key components of our strategy include:

1. Education:

- Objective: Improve access to quality education.
- Approach: Scholarships, infrastructure funding, and teacher training.

2. Medical & Health:

- Objective: Enhance healthcare services and accessibility.
- Approach: Fund medical equipment, health education, maternal care and mental health.

3. General Welfare:

- Objective: Support vulnerable populations.
- Approach: Fund programs for individuals with special needs and victims of domestic violence.

4. Religion:
